TECHNOLOGY THROUGH MAS (Local Action Groups)

Digitalization investments aren't just for big companies. Start investing from as little as CZK 250,000!

WHAT CAN BE FUNDED?

- Information systems
- Advanced software (PDM, PLM, APS)
- Servers, RFID chips
- Subsidy: 50% of costs, up to CZK 1 million
- Located in municipalities with up to 25,000 inhabitants
- Available only within the Czech Republic

The program is open through individual Local Action Groups (MAS).
